Subject: Deschutes temperature language

Hodgkiss, Miranda has shared a OneDrive for Business file with you. To view it, click the link below.

temperature language.docx (b) (6)

(b) (6)

Laurie – I'm attaching some revised draft language, with the areas I made changes to in blue font. I look forward to fine tuning this tomorrow!

Hi Laurie,

I will try to work on some draft language and send it to you before we meet. I appreciate your help on this!

Also, will you be in office or working from home? I can reserve a room/conf line as needed.

Thanks,

Miranda
